

BLEED

A diagram of a book cover layout. It features a central light blue area divided into three vertical sections: 'BACK COVER' on the left, 'SPINE' in the middle, and 'FRONT COVER' on the right. The 'SPINE' section is a narrower vertical strip. Above the top edge of the light blue area, the word 'BLEED' is written in black capital letters. The entire light blue area is enclosed within a thick grey border.
