List of Exercises

Exercise 2.1 Displaying all the color table objects in an HDF file *17*
Exercise 2.2 Opening a raster from the HDF Browser Window *18*
Exercise 2.3 Drawing on an image *25*
Exercise 2.4 Erasing drawings on the overlay *25*
Exercise 3.1 Load a Slice from a 3D Data Set *32*
Exercise 3.2 Generating an image from a scientific dataset *35*
Exercise 3.3 Selection of a spreadsheet and associated images *36*
Exercise 4.1 Load a Raster Image File *40*
Exercise 4.2 Extracting a slice from an image for the X-Y plot window *46*
Exercise 4.3 Selection of a Raster Image and Associated Spreadsheet *47*
Exercise 4.4 Load an Animation from a Raster Image File *49*
Exercise 5.1 Manipulating the Component Graph *59*
Exercise 5.2 Shifting the Color Table *60*
Exercise 5.3 Modifying the Color Table with the Fiddle Tool *60*
Exercise 6.1 Joining a collaborative session *65*
Exercise 6.2 Sending messages to other collaborators *68*
Exercise 6.3 Operating on published raster images *69*
Exercise 6.4 Editing shared text *71*
Exercise 6.5 Capturing a portion of your screen *72*
